

Filter

SiteSelect

**checkboxSelectAll**

```
graph LR; Filter --> checkboxSelectAll; SiteSelect --> checkboxSelectAll;
```

The diagram illustrates a central node, **checkboxSelectAll**, which is a thick-bordered oval. Two arrows point towards this central node from the left. The top arrow originates from an oval labeled 'Filter', and the bottom arrow originates from an oval labeled 'SiteSelect'. Both arrows are thin and curved, converging on the left side of the central **checkboxSelectAll** node.
